

TERMS OF AGREEMENT

For Crews, Teams, Rosters, and Organic Personnel

Updated on February the tenth day of the year of our Lord Two-Thousand and Twenty-Four

Explanatory Statement: The terms herein defined are and will always be construed to mean what it is defined to mean in this **TERMS OF AGREEMENT**. Values and definitions shall not change over time due to the Kingdom nature of this earthly work of the ambassadors of the Kingdom of Heaven. There is no room for interpretation of the language herein. Trinity Wrestling America reserves the right to define in a glossary herein the meaning of each ideal and all other ideals by common meaning as used within the specific discipline. *Example: In professional wrestling a work is understood to mean many different things depending on its context. In a match or interview a work is a narrative that is being promoted for the purpose of creating a specific reaction from the crowd. While at other times it is used to categorized an man or woman of the craft itself, often called a worker.*

THE DISCIPLINE

Professional Wrestling is a discipline that dramatizes storylines through braun, charisma, and storytelling to communicate a “soap opera” like episodic story that is executed by men and women whom exhibit characteristics that mirror life. Trinity Wrestling America further defines the discipline as showcasing the Word of Yahuah and His Son Jesus the Christ though enticing and well written scripts that communicate resolve, an overcoming spirit, and values as exemplified in the Holy scriptures and ancient documentation.

THE PURPOSE

For years ethical and kind promotions have risen and crashed due to the strain of financing a promotion that could sustain itself against the millions and even billions that the big TV brands have. The focus has been on growing a brand to the point of providing guaranteed contracts. However, the price of the guaranteed contract has had many overlooked consequences that have led to corruption and back-stabbing on levels of increasing consequence.

A thorough look and study of the Kingdom of God reveals why guaranteed contracts lead to such dramatic and corrupt consequences. Mankind is limited in his/her capacity. We can only “serve one Master” and therefore have to choose which one we amply serve and trust in. The Holy Scriptures reveal the method by which success can be had for those in the Kingdom of God.

“Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? for your heavenly Father knoweth that ye have need of all these things. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.” Matthew 6:31-33

Trinity Wrestling America will not chase “things”, instead, our system will chase the Kingdom of God and allow “things” to be added by Kingdom mathematics and methods.

“Be ye therefore merciful, as your Father also is merciful. Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven: Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.” Luke 6:36-38

This is why the People of God do not succeed to the level of the elites of this world System.
